

[YOUR BUSINESS NAME] — On-Site Garage Quote Checklist

PRIVATE — INTERNAL USE ONLY · DO NOT SHOW CUSTOMER · Step away to do the math, return with one number.

1 · CUSTOMER & JOB INFO

Name	_____	Date	_____
Address	_____	Phone	_____
Email	_____	Quoted by	_____
Source	_____	Job date	_____

2 · GARAGE SNAPSHOT (check one per row)

Size	☐ 1-car	☐ 2-car	☐ 3-car	☐ Other _____
Fill level	☐ 25%	☐ 50%	☐ 75%	☐ Packed wall-to-wall
Clutter	☐ Light	☐ Moderate	☐ Heavy	☐ Hoarder → decline
Truck parking	☐ Driveway OK	☐ Street OK	☐ Tight	☐ Problem (see notes)
Est. truckload	☐ ¼	☐ ½	☐ Full	☐ 1.5+ → Tier 3

3 · WALKTHROUGH NOTES (write short answers from customer)

Hoping for _____

Must STAY _____

Must GO _____

Fragile / sentimental _____

Flag if found ☐ cash ☐ jewelry ☐ docs/photos ☐ other: _____

Use of space (car/work/hobby/storage) _____

4 · CONTENTS PRESENT (check what you see — informs sort time)

☐ Hand tools	☐ Power tools	☐ Yard / garden
☐ Sports / rec	☐ Holiday / seasonal	☐ Auto / hardware
☐ Furniture	☐ Boxes / papers / mystery	☐ Bikes
☐ Appliances	☐ Chemicals / paint*	☐ Batteries / electronics / bulbs*

* = needs Waste Depot run (+\$50). Propane tanks → retailer. Tires → tire shop. Neither goes to Depot.

5 · RED FLAGS — IF ANY CHECKED: ESCALATE OR DECLINE

☐ Mold / water damage	☐ Asbestos suspected (old insulation, popcorn)
☐ Biohazard (rodents, sharps, medical waste)	☐ Chemicals beyond garage-typical (drums, lab)
☐ Structural issue (sagging, broken door)	☐ Hoarder conditions — decline first 6 months

6 · TIER PICKER — circle the row that matches what you see

Tier	What you see	Hours	Price
T1 Declutter + Organize	Light clutter. No removal needed.	4-5h	\$325
T2-small Cleanout	Cluttered + ¼ truckload to remove	5-6h	\$400
T2-std Cleanout	Heavy clutter + ½ truckload	6-7h	\$500
T2-large Cleanout	Packed + full truckload	7-8h	\$575
T3 Estate	Full property / multi-day	Full day	\$900-1,500+

7 · ADD-ONS (added to base tier price)

☐ Waste Depot run (paint, batteries, electronics, fluorescent bulbs)	+ \$50
☐ Same-day service surcharge	+ \$25
Outside Thornhill: _____ km beyond 15 km × \$3/km =	+ \$ _____
Hooks installed: _____ × \$5/each =	+ \$ _____

Big hooks (bike ceiling pulleys, kayak/ski racks): price separately, \$25-40 each. Bins for organizing keep-pile: bundled into tier price — don't itemize to customer.

8 · PRICING — final math

CUSTOMER QUOTE		INTERNAL ONLY — don't show customer	
Base tier price	\$ _____	U-Haul + SafeMove	\$ 94
Add-ons (sum from \$7)	+ \$ _____	Dump fees (\$30 light - \$50 heavy)	\$ _____
QUOTE TOTAL	\$ _____	Gas (est.)	\$ 20
50% deposit at booking	\$ _____	Consumables	\$ 10
		Bins this job: _____ × \$10	\$ _____
		Hooks material: _____ × \$2	\$ _____
		Total direct cost	\$ _____
		NET (Quote - Direct)	\$ _____

FLOOR: Net cash from service ≥ \$325 (Tier 2-std) / ≥ \$300 (Tier 1, no truck costs). If lower → push tier up, drop the freebies, or walk. Flip revenue (\$150-250/job avg) is gravy — don't bake it into the floor. **Upsell:** T1 customers often switch to T2 mid-job for +\$200.

9 · CLOSE THE QUOTE

Reaction: ☐ Accepted ☐ Thinking ☐ Declined	Deposit: \$ _____ via ☐ e-transfer ☐ cash ☐ pending
Agreed job date: _____	Next action: ☐ send contract ☐ follow-up in _____ days
Notes / commitments / next step: _____
